THEY KNOW THAT NYKEE HAD LOTS OF ALLIES AND CONNECTIONS THROUGHOUT THE CITY, AND THEY WERE TRYIN' TO GET US WACKED. WE'VE HAD A LONG-RUNNING MISUNDERSTANDING WITH THE KNUCKLEHEADS FOR SEVERAL YEARS NOW. AND ALTHOUGH I'M FLATTERED THAT ANYONE WOULD EVEN THINK FOR A MINUTE THAT WE'VE GOT THE RESOURCES TO PULL OFF A JOB LIKE THAT, WE CAN'T TAKE CREDIT.

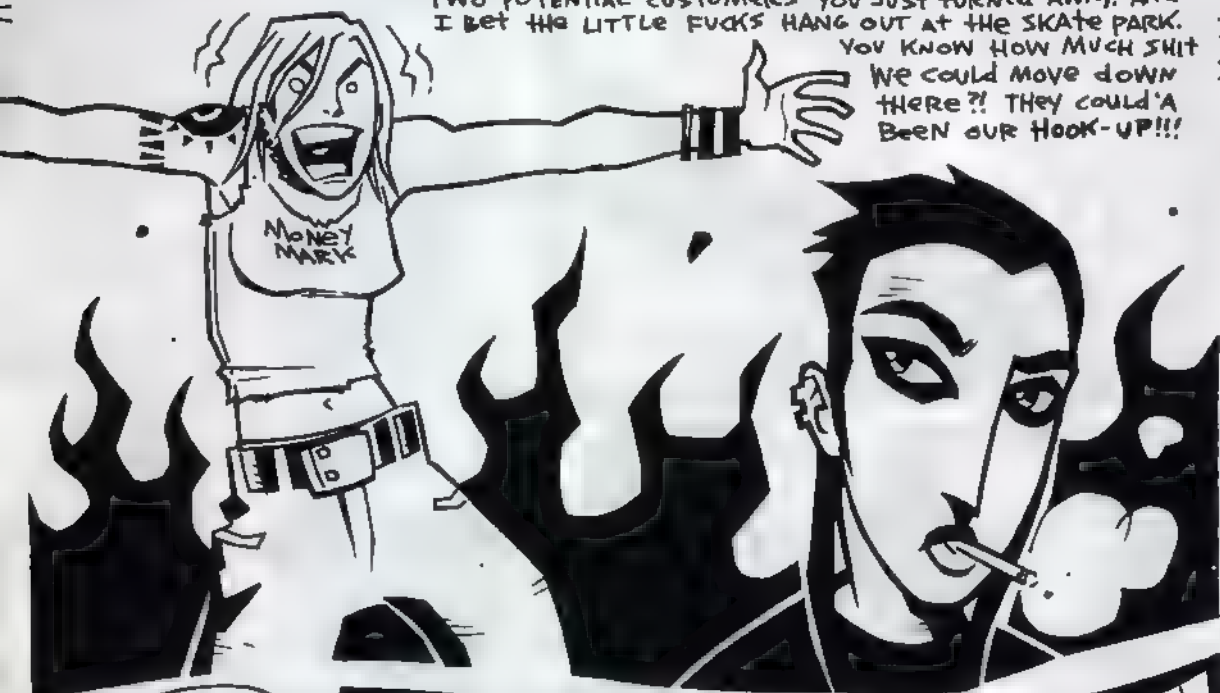

UM, WOULD YOU MIND TELLING ME WHAT THE **FUCK** JUST HAPPENED BACK THERE??! DID ALL THAT BOURBON FROM LAST NIGHT GIVE YOU FUCKING BRAIN DAMAGE?? THOSE WERE TWO POTENTIAL CUSTOMERS YOU JUST TURNED AWAY. AND I BET THE LITTLE FUCKS HANG OUT AT THE SKATE PARK.

FOR A FORTY DOLLAR SACK OF WEED.

I'M TIRED  
OF IT. I

DOUCHEBAGS WORKIN' HERE AND  
I GUESS YOU COULD SAY WE'RE  
LOOKIN' FOR SOMEONE WITH  
EXPERIENCE TO KEEP THEIR  
ASSES IN LINE!

LATER...

You ever worked  
in a 99¢ store  
before?

No, but how HARD could it  
be? I mean, everything in  
the store is 99¢ right?

EVERYTHING!!

NEW!! 99¢

99¢

Good point.  
And I see here  
you put in some  
time down at  
Tojo's Pizzeria.  
Goddamn, I used  
to love their  
pie. Too bad  
Tojo went insane  
and killed  
himself.

Yea,  
it was  
tragic.

Well I tell ya what, kid. You look  
like you got an honest face. I'll  
give you a shot. Come in tomorrow  
for training. We'll start you with  
stocking the shelves and you can  
eventually move up to the  
register. That's where all  
the real action is!!

I've  
got  
goosebumps.

MEANWHILE, JAPHNE AND RITA MAKE THEIR WAY DOWN TO THE SKATEPARK...

LISTENIN' TO ALOT LATELY?

HEAVY AND FULL OF EMOTION. IT'S  
PURE, YA KNOW? I STILL CRY A  
LITTLE EVERYTIME I HEAR  
'INNER CITY BLUES.'

I HEAR YA,

I GET CHOKED  
UP LIKE THAT  
EVERYTIME  
I LISTEN TO

Hey guys, what's up? Well, since you're holding the first issue of the new Grrl Scouts series in your hands right now, there's obviously no letters to print about the book yet. And I stress YET. Please hit me up and let me know what you think about the book! So I figured I'd run some feedback I got from my first Image-published book, Stupid Comics #1, which came out last August. Enjoy...

Jim,

I just want to thank you making me one happy girl for letting me and many others to read your great and funny artwork, I love what you're doing in your work and, your messages about the government (it sucks), and about the new technology and shit! I was wondering, are you ever going to make a Zombie Kid series of any sort or some type of new series? Well, if you ever are, you know ill buy it. I hope you're raking in the green with your work, man. It's outstanding!

Sincerely,  
Tavi Veraldi

Jim,

Just wanted to give you a big "Thanks!" for Stupid Comics #1. I've enjoyed your stuff for a couple of years now- from GRRL SCOUTS to your minis, and I can always count on you to make me not only think but also laugh.

You're always dead-on with your satirical look at everyday life and issues. Just great stuff all around. Now you have me interested in checking out some Herbie Hancock and Miles Davis.

Thanks again, and good luck with everything you've got going on.

Wesley Craig Green

I would like to request that you stop making comics, because my friend Max buys them, and then starts to say stuff like "these are cool" and "whoa man I know what colours are now!" So then I'm like "man, stop readin them mahfoodin comics, cause they aren't that cool, yo" and he's like "man get the fuck outta my house" and I'm like "fuck you man I'm on the phone!" and then his mother comes in, and is like "yo max, stop reading those comics", and he's like "mummy, I'm trying to read my comics and converse with my fellow friend" and his mom's like "yo max, you better stop givin meh lip, or else youse be in for a troublin" and then I'm like "whoa man I just found a bagel bite with extra stuff!" so then I start eating in, and my friend Max is like "oooh man I'm feelin it again" and then I have to go.

Thank you for your time,  
-LH

My name's Dan, from sunny Yorkshire, Northern England. I just thought I'd send some appreciation your way as I may be dead soon - no I'm not a teenage suicidal goth - our firefighters are on strike and it seems likely that terrorist attacks will soon occur. Yeah, a real peachy situation.

I bought 'Stupid Comics' #1 today. Awesome. I don't usually buy comics anymore (can't afford them) but I wandered into a shop today and there it was. I'd got your clerks comics which was damn good so I figured, what the hell? I especially like the one about mobile phones -- I fucking hate them -- but everyone has them here so I was forced to buy one.

That's all. Go about your business.

-Dan

Hey there,

I just recently got you're stupid comic issue, and I cant stop reading it. And you know why its so good? Because it is true. Very true. I am stalking shop to shop looking for all of your work man. I love the way you draw your characters. (applause) But I don't think you need me kissing your ass and telling you how great you are, I am sure plenty people do that already. So that is about it. I also wanted to ask you what nationality was your last name. It sounds Mid-Eastern but I could be wrong. I am Iranian (like you care) but was wondering. Sooooo write back if you can if not just know that you have a new fan. (again like you care). Keep writing those great comics and I will get every one.

Sina (mad man) Jashfar

P.S Funk is stupid comics!!!!

Dear Jim Mahfood:

I am probably your newest fan. Yesterday, around this time, I found a copy of your comic entitled, "Stupid Comics," it was the funniest stuff I had ever read and it was exactly my view of things until I read Being Raised Catholic. Now I'm not a big mean man saying you're going to hell for what you wrote. I'm a 14 yr. old Christian (not catholic). Since I am not catholic I do not know what they taught you but this is what I was taught. When you wrote about when Jesus returns that we think he will want to spend time with us. First, God will call all righteous ones to heaven then Jesus will come down to earth and rule all who remain for a period of 1000 yrs. So, you're right about part of it, he wont spend time with us for that 1000 yrs. But we will spend time with his two other forms. Secondly, when the boy was talking about so many explanations who knows what the real one is; You have to pick one and have faith in it. Nobody can guarantee you of God or of being made from monkeys. And that's why you have to have faith because nobody really knows you just have to have faith.

-Paul

Dear Jim

I bought and read your 'stupid comics' comic. I just wanted to say thank you for placing your thoughts on today's society into a comic-like form for people with incredibly low attention spans like myself to read, as well as any other person. Your statements and well designed characters makes everything even out and as I read on, I became a lot happier. You don't depict women as hideously malformed sex objects and your view on religion and politics made me nod my head as I read along. I must've nodded 8 million times.

But anyways, I just wanted to say thank you and that you have another fan out here in nowhere who agrees with everything you put down in words. yay.

Also, funk music is off the heezy.

It's a fun thing,  
Phiz.

Just thought I'd tell you this useless information. I just got your "Stupid Comics" issue #1 and it is awesome Undoubtedly the best comic I've read for a while. I especially love anything which slags off Britney and Justin so thanks for giving me and my friends such a good laugh. Guys like you make me wanna keep going with my own drawing,

From,  
Vicki, in shitty old Scotland -x-

Well, that's it for now. Big thanks go to S. Steven Struble for designing the letters page and putting up with my bullshit. Check out Strub's site at [www.cartoonmilitia.com](http://www.cartoonmilitia.com). Also, thanks to my pals Jose Garibaldi and Dave Crosland for their fantastic pin-ups. Damn, these guys can draw! More in 30 days...
